

Join Cisco and DTS to experience the new Cisco Network on Wheels (NOW) Van

SAVE THE DATE
February 24th, 2011

You Bring the Challenges, We Will Bring the Solutions.

Get a First Hand Look at Key Solutions for Your Business NOW.

- *Unified Communications Solutions (Lower costs and expand business capabilities by adding voice and video to your data network.)
- *Mobility/Wireless Solutions (Increase organizational productivity and reduce expenses while in the office, on-the-road or at home)
- *Network Foundation Solutions (Enablement of new business applications to enhance employee productivity and reduce network costs)
- *Security Solutions (Safeguard your business with integrated network security)

Once on board this unique mobile showcase, you will spend an hour taking part in interactive demonstrations of technology solutions that can sharpen your competitive edge, maximize productivity, and reduce operating costs.

February 24th—9:00 am—5:00 pm *
DTS—10707 Electron Drive Suite 100

- *Talk with Reps from Cisco, Virtual Telecomm & The Leasing Group
- *Register to Win Door Prizes—including a Flip Video Camera
- *Catering by Laura Meyer Catering and More LLC

Reserve Your Hour NOW:
